# Stone Care and Sealers

Protect your pieces. Here in the high heat of Florida, sealers and stone care products help keep valuable materials from stains, weeds, or fading. Because, while sunny and pleasant most of the time, Florida is prone to extremes, blasting heat, or heavy rain, that can mar or even destroy your well-laid hardscape. Protect your investment.

# Landscape Fabric and Pond Liner

Landscape fabric prevents weeds without the use of chemicals, allowing air, water, and nutrients to penetrate the soil still. 20-year-grade landscape fabric is perfect for use under rock and gravel.

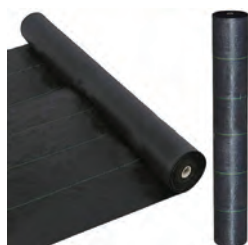

Our 4.1-ounce dual-layer woven and non-woven landscape fabric is made for rock. Keep weeds and dirt out of your landscaping and add low-maintenance beauty for years to come.
