

Natural Stone Institute Code of Ethics

As a 2021 Member of the
Natural Stone Institute

STONE PLUS

Member #5178 • Member Since 2018

believes and affirms that:

We, the members of the Natural Stone Institute,
pledge ourselves to maintain the highest possible standards
of craftsmanship, safety, and business.

We shall promote a spirit of cooperation within the industry
and a standard of courteous and professional customer service.

We will encourage innovation and education in techniques, tools,
and equipment to improve the extraction, fabrication,
installation, and care of natural stone.

These processes shall meet the Institute standards
as articulated in the *Dimension Stone Design Manual*,
related publications and other industry guidelines.

Michael Picco
2021 President
Natural Stone Institute

Our firm agrees to promote, support, and abide by the Natural Stone Institute Code of Ethics.
